Biography

Ebenezer Woodbury Franklin Stirrup II, 1904 – 1969
Realtor / Educator / Community Leader

Ebenezer Woodbury Franklin Stirrup II was born on September 19, 1904 in Coconut Grove, Florida. The son of E.W. Franklin Stirrup Sr. who was born on Governors Harbor Island in the Bahamas in 1873 and who later immigrated from Eleuthera in the Bahamas to Key West in 1888 and then on to Coconut Grove in the 1890’s. E. W. Franklin Stirrup Sr. was a pioneer to the South Florida area and upon his arrival to the Coconut Grove area anticipated and realized the need for housing by people of color moving to Miami to seek jobs in the booming new area. He and his wife, Charlotte Jane Stirrup built more than 100 small houses to rent to the newcomers and as a result amassed a sizable property portfolio and landholdings.

E. W. F. Stirrup II. was interested in the fine arts most of his life, primarily the visual art of drawings and illustrations, and the performing art of music. He attended Florida A&M High School and Florida A&M College (now Florida A & M University) a public, historically black university in Tallahassee, Florida which was founded in 1887, began classes on October 3, 1887 and became an official institution of higher learning in 1905. He was a capable saxophone player and became a member of the Florida A & M College Marching Band. Utilizing his artistic skills, he produced many illustrations for the FAMC yearbook, “the Rattler.” He joined and was an active member of the Alpha Phi Alpha Fraternity, Inc., the first inter-collegiate Greek-letter organization established on December 4, 1906 for African Americans with the mission to develop leaders, promote brotherhood, and academic excellence, while providing service and advocacy for our communities. He earned a Bachelor of Arts degree from Florida A & M College in 1928, and later studied law at the University of Chicago and the University of Iowa.

E. W. F. Stirrup II. taught Manual Arts or vocational training a subject of study aimed at developing the manual and technical skills required to work with tools and machinery in manufacturing and other skills to blacks improving opportunities for employment at Booker T. Washington Junior/Senior High School, Miami, Florida in the late 1920s. Booker T. Washington Junior/Senior High School, which opened its doors in 1926 to black residents of Dade County, Florida, is located in Miami’s Overtown neighborhood and is the second oldest public high school that was built for black residents of Dade County. E. W. F. Stirrup Jr. also taught Manual Arts or vocational training at Stanton High School, Jacksonville, Florida, the first school of education for black children in Jacksonville and the State of Florida whose history dates to the 1860s, when it began as an elementary school serving the African American population under the then segregated education system. He was a Principal of Perrine Elementary School in 1933 and also taught at Florida A&I College, St. Augustine, Florida during his teaching career. The accomplishments and achievements of individuals like E.W.F. Stirrup II recall the earliest beginnings of the community, the Black experience in South Florida, and serves as witness to the struggle and achievements of its early pioneers.

Academic Programs – Student Progression Plan (SPP), School Board Policy 5410
Provides guidance to teachers, school and district administrators, parents and other stakeholders regarding the requirements and procedures for students to progress from one grade to the next, kindergarten through grade 12 and adult education. The information presented in this document is derived from requirements set forth by Florida Statues, State Board of Education Rules and Policies established by The School Board of Miami-Dade County.

Before/After School Care Program & Middle School Enrichment After School Program
For those parents considering going back to work and/or are presently working, there are 224 low cost Before and After School Care programs that serve both Elementary and K-8 Center students and 62 Middle School Enrichment After School programs that help tutor middle school students throughout the Miami-Dade County School district. Each of these programs are staffed with state certified instructors, state certified program managers, or state certified activity leaders who are all prepared to enrich and expand the after-school experience of the students they serve.

This year, Miami-Dade County Public Schools will offer 286 After School programs on school days. Before-school care programs will be provided as needed.

After-school care programs are conducted from the time of school dismissal until 6:00 p.m. Before-school care programs begin approximately one hour before school starts. Summer Camp operates from 7:00 a.m. until 6:00 p.m. Parents should check with their child's school for specific start times.

All after-school care programs provide planned activities, which include homework assistance, indoor and outdoor games, arts and crafts, snack time and various recreational activities. Many programs offer reading and math tutoring, music, ceramics, chess, drama and other classes designed to provide participants with a variety of educational and enrichment experiences. Before-school care programs provide supervised, quiet activities for students.

The cost of Elementary and K-8 after school care is $40 per week; the cost of Middle School Enrichment after school care is $40 per week; the cost of before school care is $20 per week and the cost of Summer Camp is $100.00 per week. These programs are offered by one of seven providers:
- Miami-Dade County Public Schools Principal Operated Before After-School Programs
- Young Men's Christian Association (YMCA)
- Young Women's Christian Association (YWCA)
Bring Your Own Device (BYOD)
Bring Your Own Device allows students, parents, staff and guests to integrate the utilization of technology devices at specified times during the instructional day to enhance the learning experience. Examples of the types of technology which can be used are Windows laptops/tablets, Mac laptops, Android tablets, and iPads.

Bullying/Cyberbullying
The School Board has adopted a policy Against Bullying and Harassment with Bullying defined by state law as systematically and chronically inflicting physical harm or psychological distress on one or more students. Complaints of bullying should be reported to the Principal promptly. Cyberbullying is a form of bullying that takes place virtually over digital devices such as computers, smartphones, and tablets. Cyberbullying most commonly takes place via social media, texting, instant messaging, and email. Say NO to cyberbullying! If you or someone you know is being bullied, report this information to the Bullying/Harassment Anonymous Helpline at 305-995-CARE (2273) or the school principal. Resources:

- StopBullying.gov

Clinic
Trained school personnel may administer and/or dispense medication to students in compliance with procedures approved by the Dade County Department of Public Health. Borinquen Medical Center provides a nurse practitioner to assist the school in helping to meet the health needs of the students.

Closing of School
The emergency closing of a school for any cause, such as weather or in which the safety of individuals may be endangered, is only at the discretion of the Superintendent of Schools.

Community School Program
The Community School Program offers an opportunity for the public-school system to determine the needs of the community and provides a mechanism to meet those needs. The curriculum of the Community School Program is as wide and varied as the needs of the community it serves. Community schools provide programs that are funded by fees, tuition, grants, and donations, on community school sites, in adult centers, in satellite programs, and at off-campus, non-public school locations throughout Miami-Dade County.

Each of the 39 Community Education Centers offer classes for individuals of all ages, skill levels and language capabilities. Students enrolling in language or computer classes have the opportunity to enhance the job skills needed to satisfy the demands of today’s world. Annually,
thousands of people have taken advantage of these recreational and educational opportunities, and if an individual or group wants to acquire a specific new skill, Miami-Dade County Public Schools can work with each to create a class that suits the needs of all interests.

For more specific information on Miami-Dade County Public Schools Community Education and Before and After School Care programs or Middle School Enrichment After School programs, please log on to our website at www.dadecommunityschools.net or please call Mr. Victor Ferrante, Executive Director at 305-817-0014.

Discrimination/Harassment
The School Board has a prohibition against discrimination/harassment based on race, color, ethnic or national origin, citizenship status, religion, marital status, disability, genetic information, age, political beliefs, sexual orientation, gender, gender identification, social and family background, linguistic preference, pregnancy, and any other basis prohibited by law. Students are encouraged to promptly report incidents of discriminatory or harassing conduct to their Principal or the Office of Civil Rights Compliance (CRC) so that the conduct can be addressed before it becomes severe, pervasive, and persistent. The School Board has also adopted a policy Against Bullying and Harassment with Bullying defined by state law as systematically and chronically inflicting physical harm or psychological distress on one or more students. Complaints of bullying should be reported to the Principal promptly.

Dismissal
Be aware traffic is heavy during the morning and afternoon school hours. Therefore, allow ample time for students to arrive at school on time and follow the safe and orderly arrival and dismissal established procedures. Please discuss safety measures with students walking to and/or from school to increase safety awareness.

For the safety of all students, access into the building will be limited during arrival or dismissal.

Morning Drop-Off
All students in grades Pre-Kindergarten through 5th grade are to be dropped off utilizing the following procedures. **Students are not to be walked to their classrooms.** Once students arrive at school they must proceed to the cafeteria/interior courtyard where supervision is available. Students will be picked up by their teachers from the courtyard and escorted to class.

- **Car line** – Parents using the car line (STRONGLY RECOMMENDED) are asked to utilize the designated drive thru heading southbound on 97th avenue. Pull up as far as possible in the designated area before allowing student passengers out of the vehicle. Staff assigned will assist students with unloading your child. Do not stop, park or get out of your vehicle to open your vehicle’s trunk or doors as this creates a safety hazard and delays traffic in the area. Students must gather belongings and be prepared to exit the vehicle quickly and safely.

- **Walkers** - Parents choosing to “walk” to drop off students are asked to report to the walk-up area (97th avenue CROSSWALK on the north side of the school). Students will be received by designated personnel at this gate.
• **Bus** – All students transported on a Miami-Dade County Public School bus, shuttle bus or private bus will be dropped off at the designated area on 97th Avenue.

• **Before School Care** – The before-school care program is from 6:30 a.m. to 8:15 a.m. Students enrolled in the before-school care program may be dropped off at the gate on the north side of the Main Office and proceed to their designated classroom. Parents enrolling their children in the before-school care program will be issued passes for entry, accordingly.

• Students participating in the school breakfast program should arrive to school between 7:30 a.m. and 8:15 a.m. Breakfast will be served until 8:15 a.m. Please be advised that parents will not be permitted in the cafeteria to pay for student lunches or to have breakfast with students.

• Students may not arrive to school prior to 7:30 a.m. unless they are enrolled in the Before-School Care Program or enrolled in other special programs. No exceptions will be made. The school will not be opened prior to 7:30 am as we do not have staff available to monitor children who are dropped off and not enrolled in before-school care.

• Students in grades Kindergarten through fifth grade must be seated in their classroom no later than 8:35 a.m. Students arriving to class after the designated time are considered tardy and must report to the Main Office for a tardy pass.

**Afternoon Pick-Up**

Parents will not be allowed into the building during dismissal. Students will not be released within the final thirty (30 minutes) of the school day unless authorized by the Principal (emergency only). THERE IS NO PARKING IN THE PICK-UP AREA. All students will be dismissed from their designated location as follows:

• **Car line** – Parents using the car line (STRONGLY RECOMMENDED) are asked to utilize the designated drive thru heading southbound on 97th avenue. Each student will receive a sign with their name and homeroom teacher. **Please place these signs on your vehicle’s dashboard so it is easily identified.** Pull up as far as possible in the designated area before allowing student passengers into the vehicle. Staff assigned to dismiss students will assist with loading your child into your vehicle. Please do not turn off your engines or park in the car line. Refrain from using your cell phone and radio.

• **Walkers** - Parents choosing to “walk up” to pick up students are asked to report the walk-up area (97th avenue CROSSWALK on the north side of the school). Students will be dismissed by designated personnel at this gate. Use the CROSSWALK at all times. Any student walking home MUST have an authorization form on file.

• **Bus** – All students transported on a Miami-Dade County Public School bus, shuttle bus or private bus will be picked up in Building 4, located on the west side of the school on Flagler Avenue.

• **After School Care** – Students enrolled in the after-school care program will be picked up from their classrooms by their designated leader. Parents picking up their children from the after-school care program are asked to report to the After-School Care desk located north of the Main Office.

**Bicycles**

Students must bring a chain and lock to secure their bicycle to gate at the front of the school. The school will not be liable for bicycles or any items that are stolen.
Late Pick-ups
All students are to be picked up at their designated dismissal time on a daily basis. Students who have not been picked up 15 minutes post their dismissal time are considered a late pick up. Parents will have to enter the office and complete a form which states that you are aware of the pick-up times and will adhere to them or you will be asked to sign up your child in our after-school care program.

Rainy Day Dismissal
Discuss with your child provisions for rainy days, so that last minute telephone calls are not necessary. On rainy days, students will be escorted through the gate directly in front of the Main Office.

Severe Weather Procedures
On days of severe weather storms students will not be escorted to their cars, due to safety concerns for students and staff members. Parents will be asked to exit their vehicles and pick up their child from their teacher.

Early Dismissal
In the case of divorced or separated parents, the enrolling parent shall indicate on the Emergency Student Data Form the individual(s) to whom the student may be released during the school day.

Elevator
The school elevator is to be used by individuals who are disabled or injured and cannot use the stairs.

Emergency Contact Information
Emergency Student Data Forms are distributed during the first week of school. Students are expected to bring the forms home and present them to their parents/guardians. The form must be carefully completed and returned. The information provided on the Emergency Student Data Forms will enable school staff to contact the parent/guardian immediately in the case of an emergency. Parent/Guardian(s) that provide a cell phone number will receive text messages should an emergency arise. Students may only be released from school to the persons listed on the form after presenting a picture identification. No persons, other than school staff, will have access to the information submitted. Any divorced or separated parent contesting the information in the Emergency Student Data Form may seek assistance from the court governing their divorce, separation, or custody matters to compel the enrolling parent to revise the information.

Fieldtrips
All fieldtrips must be approved by the principal and Region Superintendent. Participation in fieldtrips requires that the student present a fieldtrip form signed by the parent/guardian to his/her teacher(s) in advance. In addition, at times vendors who have a “no refund” policy will require schools to pay the full amount of the fieldtrip prior to the event. In this case, students/parents will be notified in advance of the vendor’s “no refund” policy.
Homework
Principals are encouraged to work with teachers and parents to implement guidelines found in Homework Policy 2330. Teachers are required to provide students with make-up assignments once the absence has been excused; however, it is the responsibility of the student to request the assignments from the teacher(s).

• **Purpose of Homework**
  The purpose for assigning homework is for students to prepare information or materials for future learning, practice new knowledge or new skills, and enrich students’ understanding of a topic and apply it in new ways. Homework is connected to grade level or subject matter curriculum, connected to class instruction, and is purposeful and relevant.

• **Teacher Expectations**
  To be sensitive to family time when assigning homework.
  To make instruction related to homework clear.
  To check, review, evaluate, and give feedback to students about their homework.

• **Student Expectations**
  To understand all homework assignments by listening to directions, asking questions when something is unclear, and reading directions.
  To gather all materials necessary to complete assignments before leaving the classroom.
  To complete all assignments to the best of his/her ability.
  To return assignments on time.
  To make up any missed homework that the teacher requires.

• **Parent Expectations**
  To provide a routine and an environment that is conducive to doing homework.
  To contact the teacher early if the student begins to develop a pattern of late or incomplete work.
  To contact the teacher to clear up any misunderstandings, troubleshoot problems and be better informed about the students’ learning progress.

• **Homework Time Expectations**
  Kindergarten and First Grade   30 minutes daily
  Second and Third Grade   45 minutes daily
  Fourth and Fifth Grade   60 minutes daily

**Mealtime Environment**
School lunchtime should be an opportunity to encourage healthy lifestyle, promote socialization that will affect early behaviors.

Schools shall provide at least 100 minutes of supervised, safe, and unstructured free-play recess each week for students in kindergarten through grade 5, so that there are at least 20 consecutive minutes of free-play recess per day.

Safety and Security
- **Emergency Operations Plan**
  Student and employee safety is a primary concern of the Miami-Dade County Public School (M-DCPS) System. The Emergency Operations Plan (EOP) was created to provide school personnel with the necessary leadership skills and knowledge needed to respond to critical incidents or other related emergencies that may occur in our schools/community. All schools have a site-specific plan to address all types of critical incidents. These plans address the individual needs of the school and provide guidelines for devising methods for communicating with the staff, students, parents/guardians, and the media during a critical incident or an emergency. Some of the protective action procedures include emergency drills (active shooter, hostage, & bomb drills), the evacuation of students/staff from the building(s), evacuation of the disabled and if necessary the relocation of students/staff from the school campus, lockdown procedures and holding/dismissing students during school and community emergencies. Some important tips for parents/guardians to remember during a Critical Incident are as follows:
  - Remain calm;
  - Monitor media outlets for updates and official messages from M-DCPS;
  - Do not flood the school with telephone calls; and
  - If the school is on lockdown, wait until the lockdown is lifted before going to the school.

All school administrators, Region Center Superintendents/Directors and all MDSPD Police officers have been adequately trained in the school EOP and are prepared to respond immediately during a critical incident or emergency to provide safety for all children.

BeSafe Anonymous Reporting System (Insert Flyer)
http://hoover.dadeschools.net/portable_doc/68128_Be_Safe_Anonymous_Reporting_System_Flyer.pdf
• **Fire Drills**  
Ten fire drills will take place during the school year according to the Miami-Dade County Public Schools Policy and Emergency Procedures. At the sound of the emergency bell, students must stop what they are doing and follow the teacher's instructions. Students must clear the building promptly by the prescribed route. Any student who is in the hallway or the restroom at the sound of the emergency bell must proceed to the nearest exit and locate the teacher. Students, teachers and staff must remain outside the building until permission is given to re-enter.

• **Emergency Drills**  
Twenty-one emergency drills, to include one monthly active shooter drill and one hostage situation or bomb threat drill, will take place during the school year according to Florida Senate Bill 7026, also known as the Marjory Stoneman Douglas High School Public Safety Act. One additional active shooter drill must take place within the first 30 days of the opening of schools. All emergency drills shall be conducted in accordance with the appropriate corresponding situational response as outlined in the EOP and shall include developmentally appropriate and age-appropriate procedures.

• **Lockdown Procedures**  
Lockdowns are utilized in response to an immediate threat posed to students and staff. Schools have successfully performed lockdowns in response to police activity adjacent to a facility and potential armed intruders onsite. Students, faculty and staff will comply with all the procedures outlined in the Miami-Dade Public Schools Critical Incident Response Plan and remain on lockdown until a school administrator and/or law enforcement makes an “All Clear” announcement.

• **Threat Assessments**  
Miami-Dade County Public Schools (M-DCPS) has a mandated set of procedures for threat assessment. A threat assessment is a problem-solving approach to violence prevention that involves assessment and intervention with students who have threatened violence in some way. When a preliminary determination is made, by the school administrator or designee, that a student poses a threat of violence or physical harm to him/herself or others is known, a Threat Assessment Team (TAT) shall be notified and shall convene to determine the best course of action. Authorized members of the TAT may obtain criminal history record information, if applicable. Students determined to be at-risk for violence will be referred for mental health services. Threat assessment and disciplinary procedures are separate processes. Regardless of whether a threat is determined to be transient, serious substantive, or very serious substantive, appropriate disciplinary procedures shall be followed in accordance with the Code of Student Conduct.

• **Visitors**  
Due to legal regulations, students are not permitted to have guests attend school with them at any time. Parents/guardians are always welcome, and tours may be arranged with
the principal to view the school. Classroom visits require a request with 24-hour notice. All visitors must first register with security at the main entrance, sign-in, produce photo identification, and then proceed to register in the main office. Anyone who fails to follow these procedures will be considered a trespasser and is subject to arrest.

School Activities/Clubs
All School Activities, clubs, and organizations must be approved by the principal and conform to the School Board Policies 5845 - Student Activities, 5830 - Student Fundraising and 9211 – Parent Organization, Booster Clubs, and Other Fund-Raising Activities.

• **Clubs**
  Miami-Dade County Public Schools’ students may participate in a wide variety of activities, including student council, subject-area clubs, honor societies, service clubs, school publications and class activities. School-sponsored clubs may be curriculum-related or noncurricular-related.

  Curriculum-related clubs are student groups whose goals are an extension of the activities and objectives in a particular subject area within the school's curriculum. Conversely, noncurricular-related clubs are student groups whose goals are special interest oriented and not directly related to the curriculum. Meetings of noncurricular-related clubs may be scheduled only at times when instruction is not taking place, either before or after school.

  • **The following clubs are available at our school:**
    o Robotics Club
    o Mathematics Club
    o Chorus
    o Orchestra
    o STEAM

School Center for Special Instructions (SCSI)
School administrators may elect to assign students to the School Center for Special Instruction (SCSI) as an interim alternative educational setting to suspension from school. SCSI is designed to provide strategies and resources to students focused on learning new behavior skills. When misconduct in a class results in an assignment to SCSI, the student should be reassigned from only the class in which the misconduct occurred. Continued misconduct can result in the reassignment from all classes.

School Class Picture Process
The school class picture monies will no longer be collected by school staff for this activity. Collection of monies will be conducted by the photographer and/or photographer’s staff.

At no time, shall a staff member, parent, volunteer, or member of a school-allied organization such as the PTA handle school class picture monies.
School Transportation
Miami-Dade County Public Schools will transport more than 60,000 students a day this school year, using a fleet of 1,300 buses on nearly 1100 school-bus routes. The service is for students who live more than two (2) miles from their assigned school and for students with special needs in some instances.

Before school begins, parents/guardians of all students eligible for bus transportation will receive a post card from the school district identifying the student's bus stop and times of pick-up and delivery. Information on student bus assignments will be posted on the Parent Portal at www.dadeschools.net. The information on bus assignments on the Parent Portal is updated each night. Parents/guardians are encouraged to check the Parent Portal throughout the school year to obtain the most current information on their children’s bus assignment.

Parents interested in determining their child's transportation eligibility should contact their child's school for information.

Special Education/Section 504
The School Board of Miami-Dade County ensures that all students suspected of having a disability are identified, evaluated, and provided appropriate, specially designed instruction and related services, if it is determined that the student meets the state's eligibility criteria and the parent/guardian consents to initial placement.

Students who are not eligible for specially designed instruction and related services in accordance with state eligibility categories but have a disability that substantially affects a major life activity may be eligible for accommodations pursuant to Section 504 of the Rehabilitation Act of 1973.

As the parent/guardian of a child with disabilities, you are a very important member of the team that plans your child's education. Be informed and get involved. If you have any questions, please contact your child's school. Staff from the special education department and your child's student service provider will help to answer your questions. Additional information may also be found at http://ese.dadeschools.net/.

Student Records
The education records and personally identifiable information of students are protected by The Family Educational Rights and Privacy Act (FERPA) and the Florida Statutes. These laws provide that without the prior consent of the parent, guardian or eligible student, a student's records may not be released, except in accordance with the provisions listed in the above-cited laws. The laws provide certain exceptions to the prior consent requirement to the release of student records, which include, but are not limited to, school officials with a legitimate educational interest and lawfully issued subpoenas and court orders with notice prior to disclosure. Parents and eligible students are also provided the right to challenge the accuracy of their education records in accordance with the procedures outlined in School Board Policy 8330.
Each school must provide to the parent(s), guardian(s) or eligible student(s) an annual notice in writing of their right to inspect and review student records. Once a student reaches 18 years of age or is attending an institution of post-secondary education, the consent is required from the student only, unless the student qualifies as a dependent under the law.

**Student Services**
The Division of Student Services provides prevention and intervention services to PK-Adult students throughout the District. These services focus on the elimination of social and emotional barriers that inhibit students’ academic success and prepare students to be college and career ready. An integrated team of uniquely trained student services professionals deliver these direct services to students.

**Student Success Centers**
The Student Success Centers provide an educational setting and safe-haven for referred students (ages 11 and older) exhibiting Level III-IV behavior and (with Region approval) habitual Level II infractions of the Code of Student Conduct.

**The Parent Academy**
Miami-Dade County Public Schools created The Parent Academy to bridge the gap between home and school by connecting parents to valuable resources and information, which answers questions on topics that impact children's lives, including helping children learn, parenting skills, financial management, and health and wellness.

The Parent Academy supports parents in becoming more involved in their children’s education and empowers them to set and achieve personal empowerment goals for higher education and career advancement by providing free, year-round workshops, classes and events at schools, libraries, parks, colleges, private businesses and neighborhood centers across the county.

Parents can participate in workshops and classes that are aligned to their needs and convenient to their homes and workplaces. Upcoming events and workshop offerings are listed on The Parent Academy website at parentacademymiami.com. For additional information, please call The Parent Academy at 305-995-2680 or The Department of Family Support Services at 305-271-8257.

**Transgender and Gender Non-Conforming Students**

**Verifications of Residency**
If verification is not provided or acceptable, the Superintendent may verify the student's residence.

Anyone who knowingly makes a false statement in writing with the intent to mislead a public servant in the performance of his/her official duty is guilty of a second-degree misdemeanor of the second degree under F.S. 837.06. In addition, anyone who knowingly makes a false verified declaration is guilty of perjury, a third-degree felony under F.S. 95.525.
